

Under His Wings Study Guide: Bible Study Guide

By Karen Louise Findling

Createspace, United States, 2013. Paperback. Book Condition: New. Study Guide. 224 x 146 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bible is much more than a textbook on good principles to live by. It contains the words of life and healing that can mend and restore a broken heart. It is God's message of hope and love for His children. It is God's message of reconciliation for alienated relationships. It is God's message of freedom from the curse of the law. It is God's message of truth which uproots a faulty belief system. It is God's message of wholeness to a fragmented heart. It is God's message of deliverance for those in bondage. This study guide parallels the healing process woven through Karen Louise's book, *Under His Wings: A Story of Hope*. The study guide is designed to give individuals and groups a biblical foundation for elements often used in inner-healing ministry. It serves as an excellent springboard for actively seeking God as the Healer of life's emotional hurts and brokenness.
