

Projects Kept Simple in 90 Minutes

By Michael Watson

Management Books 2000 Ltd, 2000. Paperback. Book Condition: new. BRAND NEW, Projects Kept Simple in 90 Minutes, Michael Watson, This is a practical guide to streamlined project management, designed for managers of small and medium-sized projects in any business. Unlike other more complex approaches to project management, this book provides a simple framework which can be applied in a wide variety of situations in companies of all sizes. By stripping out the bureaucracy and paring the management down to a minimum, Mike Watson has created a straightforward approach to managing projects which will save organisations both time and money. This is a complete project manager's toolkit, including checklists, sample forms and schematics.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
