Jinglun school Code and textbooks resolve: Mathematics (9 grade) (Zhejiang J GB) (Revised) to fill the shortage of textbooks and classroom teaching. The Jinglun learn typical textbook resolve: Mathematics (Grade 9) (Zhejiang J GB) (Revised) three salient features: First. the student expected to preview and review after class finishing purposes. contribute to improve classroom learning effect. Sometimes the teachers in school said many or difficult to some students after listening to half-comprehended. the use of the book is equal to a good teacher back home and help you resolve difficult problems. analyze Confusing test sites. Some students feel that way: ordinary learning to feel good. but an exam. there are always some of the topics usually do not. The reason is because the textbook is a combination of points. while the examination is the surface integration of knowledge. The book is to fill the gap between textbooks and examinations. the examination requirement to conduct a comprehensive textbook knowledge mining and upgrading. to form an integrated and comprehensive knowledge system. A school examination condescending....
