Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

ATLANTIS: THE FATE OF A LOST LAND AND ITS SECRET KNOWLEDGE

Rudolf Steiner Press. Paperback. Book Condition: new. BRAND NEW, Atlantis: The Fate of a Lost Land and Its Secret Knowledge, Rudolf Steiner, C. von Arnim, The wisdom contained in this book is not derived via the usual methods of scholarly and historical research, and neither is it based on theory or speculation. Rudolf Steiner acquired his original contribution to human knowledge from metaphysical dimensions of reality which are hidden to most people - but visible to anybody who is prepared to develop spiritual means of perception. With his philosophical and scientific training, Steiner brought a new systematic discipline to the field of spiritual research, allowing for fully conscious methods and comprehensive results. A natural seer, he cultivated his spiritual vision to a high degree, enabling him to speak with authority on previously veiled mysteries. Samples of his work is to be found in this book of edited texts, which brings together excerpts from his many talks and writings on the subject of Atlantis. This volume also features an editorial introduction, commentary and notes by Dr Andrew Welburn.
