The #1 New York Times bestselling author of *How Stella Got Her Groove Back* and *Waiting To Exhale* is back with the inspiring story of a woman who shakes things up in her life to find greater meaning. In *I Almost Forgot About You*, Dr. Georgia Young's wonderful life--great friends, family, and successful career--aren't enough to keep her from feeling stuck and restless. When she decides to make some major changes in her life, including quitting her job as an optometrist and moving house, she finds herself on a wild journey that may or may not include a second chance at love. Georgia's bravery reminds us that it's never too late to become the person you want to be, and that taking chances, with your life and your heart, are always worthwhile. Big-hearted, genuine, and universal, *I Almost Forgot About You* shows what can happen when you face your fears, take a chance, and open yourself up to life, love, and the possibility of a new direction. It's everything you've always loved about Terry McMillan. Her very best since *Waiting to Exhale*." "O Magazine" "After almost three decades of success and celebrity, McMillan still knows how to please. Self-discovery, second chances and the importance of family are thematic hallmarks of McMillan's novels, as is the..."
